**Re: Resumption of Salmon Harvest and Processing from Pen Site Implicated in Malachite Green Incident.**

Dear Mr. Evans;

This letter is to confirm in writing that permission was given on June 29, 2005 by Ray Schaff, Parksville District Supervisor, to recommence operations with a potential process date of July 3, 2005 for the farm pen implicated in the positive malachite green sample.

Thank-you for your co-operation in this matter. If you have any questions, please do not hesitate to call the Parksville CFIA office at (250) 248-4772.

Sincerely,

Doug Paterson  
Acting District Supervisor
